# ¡Salve, Oh Patria!

## *Spanish lyrics*

Coro

¡Salve, Oh Patria, mil veces! ¡Oh Patria,  
gloria a ti! ¡Gloria a ti!  
Ya tu pecho, tu pecho, rebosa  
Gozo y paz ya tu pecho rebosa;  
Y tu frente, tu frente radiosa  
Más que el sol contemplamos lucir,  
Y tu frente, tu frente radiosa  
Más que el sol contemplamos lucir.

2da Estrofa

Los primeros los hijos del suelo  
Que soberbio, el Pichincha decora  
Te aclamaron por siempre secura  
Y vertieron su sangre por ti.  
Dios miry y acepty el holocausto  
Y esa sangre fue germen fecundo  
De otros héroes que atynito el mundo  
Viy en tu torno a millares surgir.

Coro

## English translation

# "We Salute You, Our Homeland"

Chorus

O homeland, we greet you a thousand times!  
Glory be to you!  
Your breast overflows joy and peace  
And your radiant face  
brighter than the sun shining we see.

2nd verse

The worthy sons of the soil  
Which magnificently adorns Pichincha,  
They always declared you as their sovereign lady  
And shed their blood for you.  
God observed and accepted that sacrifice,  
And this blood was the prolific seed  
Of other heroes who amazed the world,  
And in turn, of thousands arising around you.

Chorus
