

IT'S HARD, AIN'T IT HARD?

Moderate C

It's hard, ain't it hard, ain't it hard —

To give love that won't come back to you,

It's hard, ain't it hard, ain't it real real

hard — To love you, my love, the way I do. —

2. The first time I saw you, I knew —
There's many a woman after you.
It's hard, ain't it hard, ain't it real
real hard —
To love you, my love, the way I do.
3. You like ev'rybody but me,
And yet I'm the one whose love is true.
It's hard, ain't it hard, ain't it real
real hard —
To love you, my love, the way I do.
