

THE LONESOME ROAD

Slow

G G7

Look down, Look down that

Cm.

lone - some road ———, Hang

G D7 G

down your head and cry.

G G7 Cm

Look up, look up, to meet your

G

Mak - er, Look high, ——— my

D7 G

friend, ——— Look — high. ———

Romantic Version of the Same Melody

1. Look down, look down that lonesome road
Hang down your head and cry —
The best of friends must once be parted,
Then why not you and I?
2. Look down, look down that lonesome road
Hang down your head and cry —
True love, true love, what are we doing?
Feel like I want to die.
