

MAN SMART, WOMAN SMARTER

Moderate C

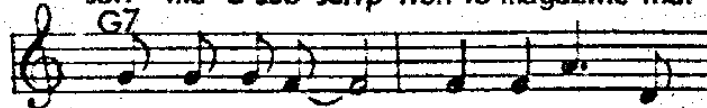

1. Some peo - ple say a man is

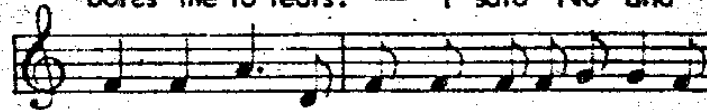

2. A wom - an tel - e - phoned to

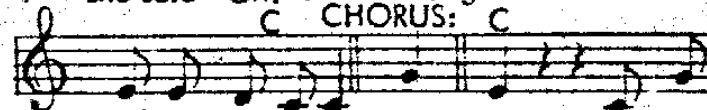

smart - er than a wom - an, But I say no! it
sell me a sub - scrip - tion to magazine that

could not be so. — Look at me and
bores me to tears. — I said "No" and

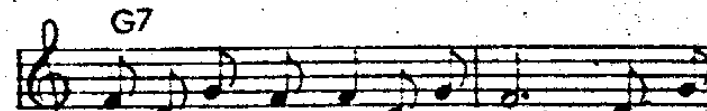

you will see — a man who says a wo - man is
she said "Oh!" and now I got to read it for

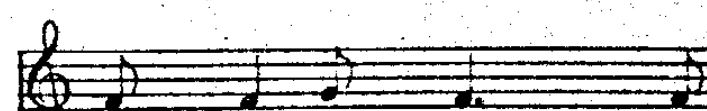

smart - er than he. Man smart, Wom - an
sev - en - teen years.

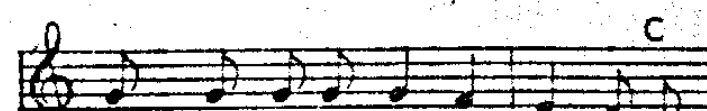

smart - er, I say, Though now and then it's the

op - po - site way. Still I say that the

wom - an to - day — is

smart - er than the man in ev' - ry way.

3. I said I wouldn't wed, I didn't want to marry,
A bach'lor lives a beautiful life.
Look at me and you will see —
A man with seven children because of
a wife. (Chorus)
