I'm walk - ing in the rain,

But I don't de - ny —

The sun is in the sky.

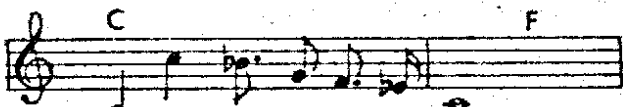

And still I re - main —

Just walk - ing in the rain.

I'm walk - ing down the lane,

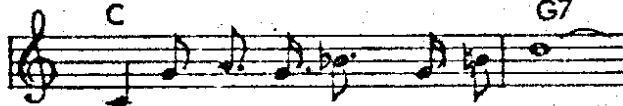

Your love is on my brain,

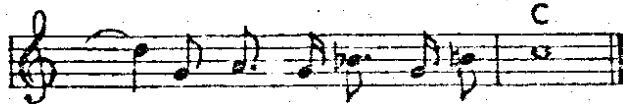

You on - ly said "good bye" —

You nev - er told me why. —

The sun is there, but in vain,

With tears, I walk in the rain. —
